MEETING POINT FOR PONT ALEXANDRE III:

Northwest corner of bridge - by large pillar with gold statue on top.
GPS coordinates: 48°51'51.4"N 2°18'48.1"E
Google Map Plus Code: V877+P9 Paris

WHAT TO BRING
Please bring 10-15 Euros for taxi or Uber fare to/from the Eiffel Tower if your session is longer than 1-hour. Pack along an umbrella, scarf and jacket, just in case of inclement weather.

VALUABLES Pictours Paris is not responsible for lost or stolen items during your photo session. We recommend you only bring the cash/credit cards /personal items you need during our time together, and that you leave passports, camera equipment and valuables in your accommodations. We take photos in very popular areas for tourism and therefore theft can be prominent. Please be vigilant and pack your items accordingly.

TIPS FOR YOUR PHOTO SESSION
What to wear?! Most people like to dress up a little bit. Try to be the best version of yourself as you can! For colors, bold colors work well, and black and white is also very classic French. Try to avoid busy patterns and large logos. Ladies, bring comfortable shoes to walk in between locations.

PLEASE BE ON TIME
Make sure you pre-route your way to the meeting location so that you can be on time. If you are running late, please contact me.

Metro, taxi, Uber and bus can possibly take a long time due to traffic, delays, etc. Please plan your travel time accordingly. We book multiple sessions in a row, so if you are late, that takes away from your shoot time. We may charge a Late Fee of €50 for every 30 minutes that you are late; we cannot guarantee waiting more than 30 mins. Your deposit will not be reimbursed if your lateness causes a cancellation. Let's all be on time and have fun! :)
